4th Global Conference

On
**EMERGING TRENDS IN
RESEARCH & DEVELOPMENT**

ETRD – 2025

(Hybrid Mode)
July 19 – 20, 2025

Jointly Organized by
**Scientific And Humanities
Research Society,
Jaipur, Rajasthan, India.
&
Mohanlal Sukhadia University,
Udaipur (Rajasthan), India.
&
International Journal of Innovative
Research & Growth, India.**

Concept Note for the Conference

We are thrilled to announce the upcoming Global Conference on Emerging Trends in Research & Development, a prestigious gathering poised to ignite discussions, collaborations, and breakthroughs in the ever-evolving landscape of academia and innovation. Set to convene leading scholars, researchers, industry experts, and practitioners from around the world, this conference promises to be a nexus of intellectual exchange and exploration. With a focus on emerging trends shaping various fields of research and development, participants will have the opportunity to engage in insightful discussions, present cutting-edge findings, and forge meaningful connections across disciplines. From keynote presentations by eminent thought leaders to interactive panel sessions and poster presentations, the conference offers a dynamic platform to showcase the latest advancements, share diverse perspectives, and chart the course for future endeavors. Join us for an enriching experience at the Global Conference on Emerging Trends in Research & Development, where innovation knows no bounds and possibilities abound.

About Scientific And Humanities Research Society

The Scientific and Humanities Research Society is a leading research and educational organization that is committed to the development and dissemination of cutting-edge knowledge in science and technology. We specialize in offering high-quality training programs, workshops, conferences, FDPs and certification courses in emerging areas of technology, engineering, science and humanities etc.

As part of our ongoing mission to promote research, education and innovation in the field of sciences and technology, we provide a dynamic platform for scholars, researchers, scientists and enthusiasts from diverse fields to collaborate, innovate, and share knowledge. We are committed to conduct conferences, seminars, symposia, FDP etc. in collaboration with reputed institutions/ universities. We aim to bridge the gap between scientific inquiry and humanistic understanding, recognizing that the most pressing challenges of our time require interdisciplinary approaches. Through a variety of initiatives, including conferences, publications, workshops, and public engagement activities. We strive to advance knowledge, promote ethical research practices, and contribute to a more informed and connected global community.

About Department of Business Administration

Department of Business Administration, UCCMS, established in 1984, is a department that takes pride in its commitment to education. The department boasts a dedicated faculty with a total of 7 teachers, including 3 Professors and 4 Assistant Professors, who are entrusted with shaping the academic journey of its students. Alongside the teaching staff, there are four non-teaching staff members contributing to the efficient functioning of the college.

The department offers a range of academic programs, including M. Phil. Ph.D. Post Doctoral Fellowship, Postgraduate (PG), and Certificate courses, providing students with diverse opportunities for higher education and skill development. This department is focused on equipping students with the knowledge and skills they need to excel in the fields of commerce and

Management, making it a valuable hub for learning and academic growth

About Mohanlal Sukhadia University

Mohanlal Sukhadia University (erstwhile Udaipur University) at Udaipur is a State University established by an Act in the year 1962 to cater the needs of higher education in Southern Rajasthan with more than 2.25 Lakh Students. The University is located in Aravalli Hill Area largely dominated by tribal populations. Endowed with rich cultural heritage, natural resources and beautiful landscape, Udaipur is a world-renowned tourist attraction.

About International Journal of Innovative Research & Growth

The International Journal of Innovative Research & Growth (IJIRG) is a distinguished scholarly publication dedicated to fostering intellectual advancement and facilitating interdisciplinary dialogue. As a double-blind peer-reviewed journal, IJIRG maintains a rigorous and impartial evaluation process, ensuring the highest standards of academic integrity. Embracing a multidisciplinary approach, the journal serves as a dynamic platform for the dissemination of groundbreaking research and innovative ideas across diverse fields. With its indexing in prestigious databases such as CrossRef, Index Copernicus International, RPRI, SJIF, Research Gate, J-Gate, Road, WorldCat, and more, IJIRG amplifies the visibility and impact of published work, reaching a global audience of researchers, practitioners, and scholars. IJIRG continues to be a leading resource for cutting-edge research and intellectual growth in academia.

Thrust Areas

We understand that research is constantly evolving, and we welcome participants to explore new and innovative topics that align with the overall goals and objectives of the conference. While we have identified certain thrust areas of research, we encourage participants to think outside the box and submit proposals for topics that may not fit within these areas but align with the overall theme of the conference.

✓ Artificial Intelligence and Machine Learning	✓ Telecommunications and Networking Technologies
✓ Biotechnology and Bioinformatics	✓ Quantum Computing and Quantum Technologies
✓ Climate Change and Environmental Sustainability	✓ Space Science and Aerospace Technologies
✓ Cybersecurity and Privacy	✓ Biophysics and Biomaterials
✓ Data Science and Analytics	✓ Mathematical and Computational Sciences

✓ Energy Systems and Renewable Resources	✓ Agricultural Science and Food Technology
✓ Interdisciplinary Research Methods and Approaches	✓ Advanced Materials and Nanotechnology
✓ Internet of Things (IoT) and Sensor Networks	✓ Biomedical Engineering and Healthcare Technologies
✓ Materials Science and Engineering	✓ Library and Information Science
✓ Social Sciences and Humanities	✓ Business, Management and Accounting
✓ Sustainable Development and Urban Planning	✓ Hospitality and Tourism Management
✓ Technology Innovation and Entrepreneurship.	✓ Chemical Sciences

Guidelines for Abstract

The abstract of the empirical paper for related thrust areas are to be uploaded along with registration form or can be mailed at ijirg.india@gmail.com or editor@ijirg.com by **15th May 2025**. The abstract should be typed in single space using **MS Word** (about **250 words**) and should include background, objectives, methods, results conclusion & references. The Title should be **CAPITAL and BOLD** followed by author's name, affiliation and Email id of corresponding author. The name of presenting author should be underlined.

Guidelines for full length Manuscript

The conference invites online full-length original research contributions from professionals from academic institutions, government undertakings, research scholars, and the student community from all around the globe. The conference will feature invited papers that cover key issues and also include oral presentations.

The conference seeks full-length papers, with a word limit of 6000 words that cover a wide range of topics within the thematic areas of the conference. The abstract/full paper should be typed in MS Word Times New Roman, 12 fonts with 1 line spacing. Figures and tables should be cited in the text and have concise and self-explanatory legends. The conference will feature a double-blind peer-review process, and all submitted manuscripts will be checked for plagiarism. The selected papers will be published in proceedings of IJIRG and/or in form of book with ISBN number. The conference organizers invite interested individuals to submit their abstracts and full-length papers via

E-mail: - ijirg.india@gmail.com, editor@ijirg.com.

ETRD-25 conference is an excellent opportunity for researchers, academicians, and practitioners to share their ideas, findings, and knowledge within the thematic areas. The conference welcomes contributions from a diverse group of individuals and encourages submissions that promote research, innovation, and growth
